

# *Knowledge-First Philosophy of Mind*

19-20 June 2017

Faculty of Philosophy, Radcliffe Humanities, Radcliffe Observatory Quarter  
Woodstock Road, Oxford, OX2 6GG

The Knowledge-First Philosophy of Mind project has been organising a series of events examining the implications that an epistemology-centred approach might have for developing a non-reductive metaphysics of mind.

The Project is sponsored by the New Directions in the Study of Mind Project.
